Physical Condition

Suhartini's or Wartini's physical condition was good for the last three months and she was never sick. She had a good appetite and ate in enough portions every day. Her weight is 45kg and her height is 155cm. Wartini can maintain the cleanliness of her body and clothes well.

Mental Condition

Wartini can control her emotions well. She is usually in good mood and always has a smile on her face.

Social Interaction

Wartini's social interaction was good during the past three months, she never had problems with all of her friends and staff in the foundation. She often played and spent time with her close friend, Ahmad. They cared for each other and often shared food. She also cared to her youngest friend, Farel and often shared her food with him.

Wartini is still shy when talking with volunteers because she cannot understand their language and her English is not so good.

Educational Development

Wartini's educational development was good in this semester. She passed the semester exam and she got the 6th ranked in her class, she will enter the 8th grade next semester. Wartini joined scout as her extracurricular activity at school, while in the foundation, she joined Art

class and English class taught by volunteers.

At school, Wartini likes Indonesian Language because it is easy to understand. While her least favorite subject is Social studies because it is hard to memorize so many topics.

Wartini is cheerful and friendly at school, she has a lot of friends and she has no problem with them or her teachers.

Family

Wartini still communicates with her family. Her brother came for a visit in the foundation and brought her favorite snacks. She also often talked with her brother who worked overseas.

Additional Information

Wartini is very good with her hands, especially in making handicrafts and drawing.
