

Peduli Anak Foundation
Counselor's Quarterly Report

Name	Andi Rahman
Place & Date of Birth	Utan, 06 January 2001
Mentor	Baiq Sahni S.Sos.I
Evaluation Time	October - December 2015
Class	5 Primary School
Child ID	PA-A0091

Physical Condition

In November, Andi got itchy on his body. The counsellor took him to hospital and he got cream from Doctor, he always put this cream in the morning and at night after shower. He also washed his own clothes with hot water and separated from his friends'. He recovered after one week.

Andi has a good appetite every day and he always eats enough portions. His weight and height are still like previous months.

On 3rd October, Andi has a dental check up from the Dutch dentists. His teeth were patched and now there are no more holes on it.

Mental Condition

Andi's mental condition is good and stable during the past three months. He is able to control his emotion and is not being too nosy to his smaller friends anymore. Andi seems to be quieter, but he's happy and cheerful when he's playing together with his close friends.

Social Interaction

Andi's social interaction with his friends and staffs at Peduli Anak is good. For the last few weeks, Andi often played marbles with his smaller friends like Putra, Reza, and Rahim. Andi usually doesn't hesitate to greet visitors and volunteers even though his English is

limited.

At school holiday, Andy followed recreation to the river and forest in West Lombok together with his other friends who stayed at the foundation, they also watched movie at cinema that made him very excited because I was his first time to Cinema.

Educational Development

Andi's motivation is always good at school and in shelter. According to his teacher, he is quite active in the classroom and he also gets good grades. In December, he passed the semester exam and he got the 1st rank in his class.

Andi joins art class, computer, and English for his after school activities. He can make bracelets and necklaces from beads.

Family

Until now, there is still no information about his family. His only family is his sister, Nurul who also lives in the foundation with him.

Additional Information

See attached School Report.
