### **Physical Condition**

Ali's physical condition has been good for the last three months. He got fever once but he immediately received medicine and three days later he was fine again. His appetite has been good and he has eaten enough portions every day.

Ali has been able to keep his body clean because he has diligently taken his shower and he has never forgotten to brush his teeth as well.

Ali has diligently done sport as he plays soccer with his friends. He also took a nap in the afternoon after school.

### **Mental Condition**

Ali's mental condition has been good for the last three months because he has been able to control his emotions, he has rarely cried even when his friends were disturbing him. He has been a cheerful boy and has always actively played with his friends at school and in the shelter. Ali has also been disciplined and obedient to the rules in the foundation.

### **Social Interaction**

Ali's social interaction with his friends has been good. He has been always enthusiastic when he was playing with them and he has never got into trouble with them. He has been polite to the counselor, staff and volunteers in the foundation.

In May, Ali joined his friends and staff of Peduli Anak to Selong Belanak beach for recreation. He really enjoyed his holiday with everyone.

### **Educational Development**

Ali's educational development has been very good this semester. He sat in grade 1 but he already was able to read and write. He was one of the best students of his class. He has a good motivation to learn at school because he likes every subjects especially Mathematics. He already passed the semester exam and will enter the 2<sup>nd</sup> grade next semester. He also got 1<sup>st</sup> rank in his class.

### **Family**

For the last three months, Ali has never met his family and they have never visited him to the foundation. The last time he saw his family was when they brought him to the foundation.
