### **Physical Condition**

Satriawan or Awan's physical condition has been good and healthy during the past three months. His appetite was good and he ate in enough portions every day. His weight is 44kg and he is 153cm high.

Since he enters puberty, he is more concern about his hygiene and appearance. He diligently takes regular shower and washes his own clothes. He also always looks neat and clean.

On 3<sup>rd</sup> October, Awan has a dental check up from the Dutch dentists and they extracted one bad tooth.

### **Mental Condition**

During the past three months, Awan broke the rules in the foundation for several times. After talking with Awan and his father, Awan promised to change his behavior and obey the rules.

### **Social Interaction**

Awan now moves in to Shelter 3 for the teenage boys. It's more suitable for him to be here, as he feels more comfortable socializing with his peers. At school, he also has close friends and they sometimes come to the foundation for playing and doing homework together.

On 29 November, Awan had a recreational trip to Selong Belanak beach with all of his friends, counselor and the founder of Peduli Anak. He enjoyed his holiday by swimming and playing at the beach with his friends.

## **Educational Development**

Satriawan has a good learning motivation at school. He is a smart student and easily understands the lessons. He diligently goes to school and working on assignments and homework given by his teacher. In this semester, he received his report card and his scores are above standard in every subject. He is ranked 2nd in his class.

Satriawan likes all the subjects at school and he did not have any problems while study them. He does not follow any extracurricular activities at school, while in the foundation he joins English class, which is taught by volunteers twice a week.

He has a good interaction with his friends and the teachers at school. His friends often come to the foundation for studying or playing together. He has no problems at school.

## **Family**

Awan's relation with his family is good. They often visit him at the foundation because they live nearby. During school holiday, he went home and spent his holiday for a week with his family.
