Place & Date of Birth	Tanjung Pinang, 7 April 2009
Mentor	Muhammad Jufri,S.Sos. I
Evaluation Time	October-December 2015
Class	1 Primary School
Child ID	PA-A0124

Physical Condition

Putra was only sick once when he had a bump on his head and swollen face. The counsellor brought him to the Public Clinic and put ointment after shower. He also takes shower with antiseptic soap. Soon after, he recovered. His appetite is good and he always finishes his food. His weight still at 13kg and he is 100cm high.

Putra is a small kid, so he still needs help to maintain his personal hygiene. The counsellor still needs to supervise him when taking shower because he often forgets to use soap.

On 3rd October, Putra had a dental check up from the Dutch dentists and he has no problem with his teeth.

Mental Condition

Putra is a cheerful kid and he never looks sad or crying. He is always enthusiastic when doing his activities in shelter and he diligently does his daily chores with his friends. He always listens to the counselor and obeys the rules in the foundation.

Social Interaction

Putra's social interaction is good, he often plays and spends his time with his friends such as Reza, Aim and Farel. His interaction with counselor and other staff are also good. The teacher at school also likes him.

On 29 November, Putra had a recreational trip to Selong Belanak beach with all of his friends, counselor and the founder of Peduli Anak. He enjoyed his holiday by swimming and playing at the beach with his friends.

Educational Development

Putra's educational development is good at school and it shows a good progress in the past semester. He can read sentences although slowly. He also likes doing a simple addition.

In December, he passed the semester exam and received his report card. He got good grades and passed all the standard grades.

Family

In the past three months, Putra got visit from his mother a few times. During school holiday in December, he went home and spent his holiday with his family for a week.
