Physical Condition

During the past three months, Rizky has been healthy. His appetite is good and he always adds to his portion when eating, thus he's gained weight from 30kgs to 32kgs and his height is 133,5 high. Rizky has been able to maintain the cleanliness of his body by diligently taking showers and changing his clothes regularly. He also does exercise and takes enough rest so he always looks fit.

On 23rd of September, Rizky had to take anthelmintic drugs to destroy parasitic worms. This program is held routinely once a year to all the children in the foundation.

Mental Condition

Rizky is usually very active in the morning and in the afternoon. He really enjoys playing with his peers. During the past three months, he got disciplined less than previous months, but he sometimes he still got reprimanded from the counselor because he teases the smaller children. Nevertheless, now Rizky shows more initiative to help the counselors out.

Social Interaction

Rizky has started showing his initiative in helping the counselor out and he even offered to clean the yard in the morning. His interaction with his friends, especially his peers, is good. He is still learning to be more caring to the younger kids.

On 6 September, Rizky went on a recreational trip to Kuta beach with all of his friends, staff and the founder of the foundation. He took part in the beach soccer competition held by the Founder. He also enjoyed his time by swimming and building a sand castle with his friends.

Educational Development

Rizky has had a good motivation to study and he has looked focused when studying in the classroom. He has been always enthusiastic in working on assignments given to him by his teacher at school and on his homework in the shelter.

Rizky likes Mathematics and he said that it is easy to understand. He did all the tasks and he got nice score on it. He got difficulties in learning Social studies because it is a little bit hard for him to memorize the long sentences.

Rizky joins the Art class taught by the counselor, he can make bracelets and flowers from scraps and yarn.

Family

During the past three months, his family did not contact or visit him at the foundation. But during the school holiday, he went to his aunt's house and celebrated the Eid Mubarak there and stayed for ten days.
