Physical Condition

Bunga's physical condition was good for the past three months. Her weight and height remained the same as previous months. Her appetite was good and she ate healthy food in enough portion. Bunga takes a shower and brushed her teeth regularly every day so she always looks clean. Bunga's appearance is clean.

Mental Condition

Bunga can control her emotion well when running out her activities in shelter or at school. Her mood is also stable and she seldom looks sad or angry. Bunga is a diligent girl, but she is always slow in doing every task.

Social Interaction

Bunga has a good social interaction with her friends, staff and volunteers in the foundation. She often plays with volunteers. She has no problem with the other staff. In May, Bunga went recreation to Selong Belanak beach with all of her friends and staff of Peduli Anak. She was very happy playing and swimming with her friends at the beach.

Educational Development

Bunga has a good motivation to learn at school. She did not daydream any more in classroom. In shelter, she also diligently studies at night assisted by the counselor. She still needs to be reminded by the counselor to do her homework. Bunga still has difficulty in Mathematics especially in Multiplication. Bunga likes Indonesian subject and she got nice score. She passed the semester exam and she will enter the 5th grade next semester. Bunga joins the Art class and she can make some cute jewelries from beads.

Family

Bunga often got a visit from her family during the past three months. Her big brother even brought her favorite food when he came for a visit. Bunga was happy about it.
