

Peduli Anak Foundation Counselor's Quarterly Report	
Name	Safarudin
Date and Place of Birth	Sulawesi, 31 December 1998
Mentor	Khairil Anwar
Evaluation Time	April - June 2015
Class	9 Junior High School
Child ID	PA-A0039
Physical Condition	
<p>Safar's physical condition was good during the past three months. He is quite healthy. He takes care of himself very well by taking shower and brushing his teeth regularly. He also plays sport such as soccer in the afternoon. He has a good appetite and eats in enough portions every day. His weight is 48kg and his height is 158cm. Safar always sleeps on time at night.</p>	
Mental Condition	
<p>Safar is a shy boy and tends to keep everything for himself. However, sometimes he finds comfort in sharing with his close friends. His mood is stable and he usually looks calm and quiet.</p> <p>Safar still has difficulties to take his own decisions. He is not settled with his choice for high school. Sometimes he becomes upset when the counsellor teaches him how to ride a bicycle.</p>	
Social Interaction	
<p>Safar's social interaction is still like before, he doesn't play a lot with his friends. He stays often inside shelter and do his own activities alone. Safar prefers to play with the smaller children. He is still shy; it's not easy for him to communicate with the staff and volunteers in the foundation, but he never had problems with them.</p>	
Educational Development	
<p>Safar's has developed his education during the past three months. He passed the National Exam and he got nice scores. He graduated from Junior High School. He will continue his study to Senior High School near the foundation.</p>	
Family	
<p>Safar never got a visit from his family in the past three months.</p>
