

Peduli Anak Foundation
Counsellor's Quarterly Report

Name	Ishak
Place & Date of Birth	Ampenan, 4 November 2004
Mentor	Amiruddin S.SOs.I
Evaluation Time	October - December 2015
Class	4 Primary School
Child ID	PA- A0115

Physical Condition

Ishak injured his knee because he fell when playing soccer with his friends at school. He got treatment and now his condition is good and healthy. His height is 140cm and his weight is 35kgs.

Ishak still needs the counsellor supervision because he is still not cleaning enough when taking regular showers.

He has a good appetite every day and he often asks the counsellor to add his meal portion, he likes the entire menu in Peduli Anak. He also diligently exercises, such as swimming and playing soccer on the weekends.

On 3 October, Ishak has a dental check up from the Dutch dentists and he has no problem with his teeth.

Mental Condition

Ishak is a cheerful boy. Sometimes he would cry when his older friends disturbed him and when the counsellor managed to persuade him, he would play with his friends again with a cheerful face. Ishak always obeys the rules of the foundation.

Social Interaction

Ishak has a good interaction with his peers in the foundation, but sometimes he become nosy to his younger friends until the counsellor reprimands him.

In the shelter, he often helps the counsellor and staff of Peduli Anak, such as cleaning the yard

and helping out in the kitchen.

On 9 November, Ishak went on a recreational trip to Kuta beach, Lombok with all of his friends, the counsellor and the founder of the foundation. He enjoyed his activities on the beach such as playing football and swimming with his friends.

Educational Development

Ishak has a good learning motivation at school and in shelter. He never hesitates to ask the counselor or his teacher whenever he finds difficult tasks especially in Math.

Ishak likes Science and he likes to learn about the Earth.

On 7 December, he passed the first semester exam for a week and received his report card, his scores are very good because his grades are all above the average.

Family

During the past three months, Ishak got a visit once from his mother and his little brother.

On 3 December, he went home and spent his school holiday at home with his family.
