Physical Condition

During the past three months, Rendi's physical condition was good and he was never sick. He diligently maintains the cleanliness of his body by taking a shower and brushing his teeth properly. He also often did sports with his friends. His weight has not changed in the previous months. It is still 25kg and his height is 75cm. Rendi has a good appetite and he eats in enough portion everyday, sometimes he would even adds his portion when he finds his favorite food on the menu. Rendi always takes a nap in the afternoon and he also sleeps on time at night.

Mental Condition

Rendi's mental condition was good for the past three months and he never made any problem. Generally, his mood was stable and he was always cheerful when running out his activities. But when he cried, it's really difficult for him to listen to what the counselor said. He does not like his friends' teasing when he did his chores. Rendi obeys to the rules in the foundation very well.

Social Interaction

Rendi's social interaction was good with all of his friends because he never picks specific friends to play with. During the past three months, he looked close with his older friends. Rendi also diligently helps the counselor and other staff.

Educational Development

Rendi showed a good progress in his education. He is getting better in reading and has started to memorize multiplication 1-9. Rendi likes Religion subject because he likes to listen the story of Prophets. His least favorite subject is Mathematics. Rendi passed the semester exam and he will enter 4th grade in next semester.

Rendi often helps his teachers to clean the classroom so they like him.

Religious

Rendi diligently prays five times a day and recites the Quran at the mosque. He is still learning the basic Quran and he has a good motivation because he wants to move to recite the real Quran. He also diligently kept fasting in Ramadan month.

Family

Rendi's family came for visit to the foundation twice. For the first time, his father and his brother came for a visit and his aunt who he always calls "Mama" paid the second visit.

Additional Information

Rendi is my new mentor child and he is open to confide in me.
