### Physical Condition

During the past three months, Dina's physical condition has been good. Her weight is 30kg and she is 134cm tall. Dina is concerned to her hygiene and she diligently takes shower and brushes her teeth regularly every day. Her appetite is good and she is never picky about food and always finishes her meal.

On 3<sup>rd</sup> October, Dina had a dental check up from the Dutch dentists and she had no problem with her teeth, they only cleaned them. On 15<sup>th</sup> October, she got the second hepatitis vaccine injection.

### Mental Condition

Dina's mental condition has been good during the past three months because she did not feel sad anymore and she already adjusted herself well and felt comfortable at the foundation. She looks happy when playing with her friends. When there is something that upsets her, she would be quiet and cry. Dina always obeys the rules at the foundation.

### Social Interaction

Dina's social interaction with her friend is good. She has a close friend, Risna, and they often play together at the foundation. Her friends at the shelter like her because she is nice.

Dina also often helps the staff in the kitchen and counselor in shelter.

On 25th November, Dina participated in a Drawing competition for the National Teacher's day. On 29th November, Dina had a recreational trip at Selong Belanak beach where she enjoyed playing with her friends at the beach.

On 15 December, Dina also joined Fun days at school to mark the end of the school semester.

### **Educational Development**

Dina has a good motivation to learn at school and at shelter. She diligently works on her homework given by her teacher. According to her homeroom teacher, Dina still gets difficulty at Math. To improve her understanding, she followed extra class twice a week after school.

In December, she passed the semester exam and she got good grade except for Math.

Dina has a good attitude at school and never has problem with her friends there.

### **Family**

During the past three months, Dina didn't get a visit from her family. Dina didn't have a family to come home to during the holiday, however Dina spent a few days during the holiday with a foster family who runs a beauty salon. Dina was very happy to spend her holiday there because she got free treatments and she learnt about salon business too.
