Physical Condition

Wulan's physical condition is the same as previous months. Her weight is 18kg and her height is 120cm. Wulan is not really active in exercising regularly, but she follows sports lessons at school enthusiastically. At night, she always sleeps on time and she often takes a nap in the afternoon.

Wulan has good appetite and she eats in enough portions everyday. She doesn't really like vegetables so the counselor must watch her when eating until she finishes the vegetables.

Wulan is able to maintain the cleanliness of her body well and she diligently takes shower and brushes her teeth. She also ties her hair up and makes her clothes neat.

During the past three months, Wulan got itchy on her body and was immediately brought to the Clinic. She took medicine and recovered in three days.

Mental Condition

Wulan's mental condition is generally stable. She is always obedient to the rules in the foundation. Wulan never has problems with her friends or the counselor. She is a nice and helpful girl. She often helps the counselor or her friends so she often gets presents for collecting the most good behavior points.

Social Interaction

Wulan's social interaction is good. She diligently helps the counselor or her friends in shelter. Wulan is close to almost everyone in shelter. She often jokes around with counselors.

In middle of May, she went recreation to Selong Belanak beach with all the foundation family members. Wulan was happy to play and swim at the beach with her friends.

Educational Development

Wulan diligently goes to school and she is never late. She's a smart student in her class and she is active when learning. Wulan passed the semester exam and her scores were good, especially in Mathematics. She only got remedial in one subject, Civic studies. Wulan likes Mathematics because she likes counting and multiplication. While her least favorite subject is Civic studies because there is too much reading.

Besides school, Wulan actively joins the Art class in the foundation taught by counselor and volunteers.

Family

During the past three months, her family didn't come to see her in the foundation. However, she communicates regularly with her mother.
