Physical Condition

Ahmad's physical condition has been good. He is living healthy and loves to do sports. His favorite sports are playing soccer and lifting barbells to sculpt his muscles. He takes care of his personal hygiene, but he still needs to be directed to wash his clothes or make up his bed.

In addition, his appetite is good and he always adds extra food on his plate. He even gained weight up to 58kg and he is 170 cm tall.

On the 3rd of October, he did dental check up, which was provided by a Dutch Dentist, and there was no problem with his teeth. The dentist only cleaned his teeth.

Mental Condition

Ahmad's mental condition has been good over the past three months. He was able to control his emotion well and he always looks cheerful. His friends from shelter 3 respect him a lot and he never had problems with them.

Social Interaction

Ahmad's social interaction was good during the past three months. Together with his friends Ahmad often plays soccer or music instruments in the afternoon. He has no problems with the counselors or the other staff.

On 13 October, Ahmad followed the Socialization Class held by the National Drug Agency of West Nusa Tenggara. The class was about a healthy lifestyle, the unhealthy life of living on the streets and the dangers of drugs.

On 29 November, Ahmad joined a recreational trip to Selong Belanak beach. All staff, counselors, friends and the founder of Peduli Anak joined the trip. He enjoyed his holiday a

lot, by swimming and playing with his friends at the beach.

Educational Development

Ahmad's shows the same learning motivation as previous months. He still plays a lot with his friends and studies in the shelter.

In December, he passed the semester exam and received his report card. He got 8 in average. At the foundation, he teaches his smaller friends to learn how to play music instruments. He also followed English class taught by volunteer twice a week.

Family

There was no communication with his family over the past three months and none of them visited him the foundation. In December, he went home and spent his school holiday for a week with his family.

Mentor's Remarks:

In this first semester of grade 9, Ahmad's learning motivation decreased a bit especially at the foundation because he plays more than he studies. Nevertheless on 4 December, he passed the semester exam and received his report card. His average score is 8 and he passed all the standard scores.

Ahmad likes Art & Culture because he likes Drawing. He also likes Mathematics because he likes to do the multiplication. While his least favorite subject is English. To increase his knowledge, he joins English class at the foundation, which is taught by volunteers twice a week.

Ahmad did not follow any extracurricular activities at school because he is already in grade 9 and he needs to focus more on his study and the National Exams. At the foundation, he is active in music class and he can play guitar, bass, and drums. He often teaches his other friends to learn the music.

At school, Ahmad has a good interaction with his friends and teachers. He never had problems there.
