Physical Condition

Nurmin's physical condition was good during the past three months, she looked healthy and never got sick. She has gained weight to 45kg and her height is 153cm. Nurmin always does exercise like jogging and playing basketball with her male friends.

Nurmin's appetite was good and she often added her portions when eating. She was never picky about her food.

Nurmin is able to maintain the cleanliness of her body well. She diligently takes shower and brushes her teeth. She also likes to put makeup and lotions after bathing, so she always looks clean, neat, and beautiful.

Mental Condition

Nurmin's mental condition was good during the past three months. She behaves well to the counselor and all of her friends in shelter. Nurmin is also obedient to the rules in the foundation. She diligently runs out her daily chores and has a good responsibility. She also often helps the counselor in shelter.

Nurmin did not really talk much, but she would be active when playing and joking with her friends.

Social Interaction

Nurmin's social interaction was good during the past three months. She is careful to her smaller friends and often dose a favor to others, such as helping the staff in kitchen to prepare

food or help her friends in shelter.

In middle of May, she went recreation to Selong Belanak beach with all the foundation family member. Nurmin was happy to play and swim at the beach with her friends.

Educational Development

Nurmin always goes to school on time and she was never late. She has a good motivation to study. She always studies in shelter assisted by the counselor. Nurmin likes Indonesian and Biology because they are easy to understand when her teacher explains the materials, while she still found difficulty in Mathematics.

Nurmin passed the National exam and she wants to continue her education to Junior High School near the foundation. In the foundation, she still joins the art class taught by counselor and volunteers.

Religion

Nurmin diligently prays five times a day at the mosque with her other friends. She has already memorized all the praying verses from beginning to end. In Ramadan month, Nurmin observed the fasting. She recited the Quran at the mosque taught by volunteers.

Family

Nurmin has never got a visit from her family during the past three months. But she often communicated with her mother or her brother through the phone.
