

Peduli Anak Foundation
Counselor's Quarterly Report

Name	Jupri
Place & Date of Birth	31 December 2006
Mentor	Nur'aini
Evaluation Time	October - December 2015
Class	4 Primary School
Child ID	PA-A0095

Physical Condition

Jupri once got sore eyes. He was brought to the hospital and got medicine from Doctor. He recovered after a few days. Jupri is an active boy during the day so he rarely takes a nap in the afternoon. His appetite was good and he often added his meal portion especially when fried chicken was served because it is his favorite food. His weight is 22kg and he is 120 cm tall. Jupri likes doing Yoga and he joined Yoga class with volunteer.

On 3rd October, Jupri has a dental check up from the Dutch dentists and he has no problem with his teeth, they only cleaned them.

Mental Condition

Jupri's mental condition has been good during the past three months. He is a cheerful boy and is able to control his emotion well. He is open to the counsellor. He is also polite and respects older people.

When running out his daily chores, Jupri still needs to be directed because he sometimes forgets about it. Nevertheless, Jupri often offers his hands. He usually obeys the rules in the foundation.

Social Interaction

Jupri has a good social interaction with his friends at the foundation. He often played with them at the foundation. He also diligently helped the staffs to cleaning the yard of the foundation.

On 29th November, Jupri joined the recreational trip to Selong Belanak beach in Central Lombok with all of his friends and counsellors. He enjoyed his holiday by playing and swimming at the beach.

At school holiday, Jupri stayed at the foundation with his friends who could not go home and he spent the holiday by went to the mall and watched Cinema. He was really happy because it was his first time to Cinema.

Educational Development

During the past three months, Jupri's educational development was good. He likes Social Studies, Science and Religion. He said that those subjects are easy to understand. While his least favorite subject is Math. To improve his understanding, he learns Math with counsellor in shelter every night. He also diligently works on his homework after school. In December, Jupri passed the Semester exam and received his report card, he got 5th rank in his class.

At the foundation, Jupri is still active in Art class once a week, he's learned how to make bracelet, drawing, and colouring pictures.

Family

There is no contact with his family.

Additional Information

Jupri spent his school holiday at the foundation and he also spent a few days with the Founder's family.
