

Peduli Anak Foundation
Counselor's Quarterly Report

Name	Wawan Saputra
Place & Date of Birth	Ampenan, 23 February 2003
Mentor	Nanang Mardianah, S.Pd.
Evaluation Time	July - September 2015
Class	5 Primary School
Child ID	PA- A0098

Physical Condition

Wawan is healthy during the past three months. He can manage his resting time so that he gets enough sleep during the day or night.

His weight is 40kg and his height is 155cm. Wawan has a good appetite and he often adds to his portions especially at lunch.

Wawan is able to maintain his cleanliness well, and he diligently takes a shower and brushes his teeth every day.

On 23rd of September, He also had to take anthelmintic drugs to destroy parasitic worms. This program is held routinely once a year to all the children in the foundation.

Mental Condition

Wawan's mood has been good and stable during the past three months, especially in morning and afternoon. He is able to control his emotions well. He is a polite boy and always listens to the counselor in the shelter. He also obeys the rules of the foundation.

Social Interaction

Wawan's social interaction is generally good. He is close to Gilang, Deni and Sahdan in Shelter 1 and they often spend time together. He has kind to other friends, staff and volunteers.

On the 6th September, Wawan went on a recreational trip to Kuta beach in Central Lombok with all of his friends, the counselors and the founder of the foundation. He looked happy and also joined the soccer competition at the beach. His team came third. On school holiday, he also followed the games held by volunteers and he looked very enthusiastic.

Educational Development

Wawan shows good motivation at school. He likes all the subjects. He always follows the teaching and obeys the rules at school. After school, Wawan joins the Art class. He is already good in drawing a robot and panoramas. He is also skillful in making jewellerys and small handicrafts.

Family

During the past three months, Wawan did not get a visit from his family at the foundation, but they often communicated through phone. In July, he spent his holiday of ten days at home, and also celebrated the Eid Mubarak with his family. He was happy about it.

Additional Information

Wawan was very happy when his sponsor came to the foundation and did activities together with him and friends for three days. But he felt disappointed that he didn't have the chance to perform pantomime for his sponsor.
