

Peduli Anak Foundation
Counsellor's Quarterly Report

Name	Supriadi (Cupi)
Place & Date of Birth	Tanak Tepong, 31 July 2003
Mentor	Amiruddin S.Sos.I
Evaluation Time	October - December 2015
Class	6 Primary School
Child ID	PA-A0085

Physical Condition

Cupi's physical condition did not change much from previous months. His appetite is still good and he often adds his portion when there is fried chicken in the menu because he really likes it.

Cupi got wrist sprain after falling during sport class at school and he recovered in five days.

To maintain his health, Cupi often does exercise by playing soccer and jogging with his friends. For the cleanliness of his body, he diligently takes shower and brushes his teeth without being directed by the counsellor.

On 3 October, Cupi has a dental check up from the Dutch dentists and he has no problem with his teeth.

Mental Condition

Cupi's mental condition was good for the past three months. He looks happy and cheerful. He is usually less motivated in doing the chores in shelter and often delays it so the counsellor reprimands him. But in general, Cupi always obeys the rules at the foundation.

Social Interaction

Cupi has a good interaction with his friends. They often play or watch TV together in the shelter. Cupi also has a good interaction with staff at the foundation especially the cleaning service team because he often helped them to clean the yard or plant flowers in shelter's area.

However, he is a bit shy when interact with counsellors or volunteers.

On 13 October, Cupi took part in a seminar about healthy lifestyle and the danger of drugs, held by the National Drug Agency of West Nusa Tenggara. On 29 November, Cupi did a recreational trip to Selong Belanak beach with all of his friends, counsellor and the founder of Peduli Anak. He enjoyed his holiday by swimming and playing at the beach with his friends.

Educational Development

For the past three months, Cupi spent much time studying in shelter to prepare himself for semester exam on November, he got nice scores on his report card. According to Cupi, he still gets difficulty on learning Mathematics. So he joins Mathematics course taught by local volunteer every Friday evening in the shelter.

According to his teacher, Cupi's attitude is improving in the classroom because he can focus well during lessons.

Cupi attends the Gamelan course and he plays one of those traditional music instruments. He is good at it and he can play 5 songs with his other friends.

Family

On 23 December, Cupi went home and spent his school holiday for a week at home. He was happy to spend his time with his family again.
