Physical Condition

Wawan's physical condition was good as previous months, he was healthy and never got sick. His weight is 39kg and his height is 149cm. He always took a nap in his spare time in the afternoon.

Wawan's appetite was good and he always added his portion when eating. He was never picky about food and always finished all the food. His favorite is chicken.

Wawan was able to maintain the cleanliness of his body well by taking shower and brushed his teeth regularly every day. His apperance also looked nice, clean and neat.

Wawan likes jogging and playing soccer with his friends, this is how he maintains his health.

Mental Condition

Wawan's mental condition was the same as previous months. He always obeyed the rules in the foundation. Generally, Wawan is a nice and friendly boy, he always helps the counselor and gets present for getting double plus.

Social Interaction

Wawan's social interaction was very good during the past three months because he often helped his friends and the counselor in running out the daily chores. He also often helped the staffs to clean the yard in the foundtaion.

In the middle of May, Wawan went recreation to Selong Belanak beach with all of his friends and staffs of Peduli Anak. He enjoyed his time at the beach with his friends.

Educational Development

Wawan diligently went to school and he was never late. He actively studied in classroom. His motivation was good as usual. But sometimes he cannot understand the tasks given by his teacher. Wawan passed the semester exam and he would enter the 5th grade in next semester.

Wawan likes Indonesian language subject because it is easy to understand, unlike Mathematics, he still found it difficult. Wawan joined the Art class taught by counselor and volunteer.

Wawan got the first winner in pantomime competition held in Mataram in Province level.

Family

During the past three months, Wawan never got a visit from his family, he only communicated with them through phone.
