Physical Condition

Ramdan's physical condition was good during the past three months. His height is still 126cm and weight is 27kgs. He has enough rest and he always sleeps on time at night. His appetite is also good and he often adds his meal portion especially when there is fried chicken in the menu. He does not really like kale on menu. Ramdan is able to maintain the cleanliness of his body and diligently takes shower every day.

On 3 October, Ramdan had dental check up from the Dutch dentists, they clean his tartar and patching cavities. On 15 October, Ramdan got the second hepatitis vaccine.

Mental Condition

Ramdan is a cheerful and diligent boy. He is polite to adults and obeys the counselor. He often gets points for his good attitude.

Sometimes he would cry when his friends disturbed him and he would stop crying when the counselor reconciled him with his friend who disturbed him. He always obeys the rules and listens to the counselor.

Social Interaction

Ramdan has a good interaction with his friends and he enjoys playing with them.

He has no problem with the counselor and other staff at the foundation because he is always polite to them. He also often helps the staff with work around the foundation. On 6 November, Ramdan went on a recreational trip to Kuta beach, Lombok with all of his friends, counsellors

and the founder of the foundation. He enjoyed his activities on the beach, such as playing and swimming with his friends.

Educational Development

According to his teacher, Ramdan's educational development is good this semester. He's slowly progressing in the classroom activities. He already recognises the alphabet and reads slowly. He also can do simple counting. He passed the semester exam in November 2015. He diligently studies in the shelter with counsellor's help.

Family

During the past three months, his family did not come for a visit to Peduli Anak. He spent his holiday at the foundation with his friends.
