Physical Condition

Ramdan has not been sick during the past three months and he always rests and sleeps enough and on time at night. His appetite has been good and he has eaten enough every day. He would add to his portion when his favourite food, Fried chicken, is on the menu. Ramdan was able to maintain the cleanliness of his body well by taking showers regularly every day.

On 23rd of September, Ramdan had to take anthelmintic drugs to destroy parasitic worms. This program is held routinely once a year to all the children in the foundation.

Mental Condition

Generally Ramdan's mood has been stable during the past three months. He looks cheerful when playing with his friends. But sometimes when his friends annoy him and make him sad and he rather cries in a quiet place. He would stop crying when the counselor reconciles him with his friend who disturbed him. Ramdan is a polite and diligent boy, he often got reward for his behavior.

Social Interaction

Ramdan is a new child, but he quickly gets along with his new friends at Peduli Anak. They often play marbles or watch TV together. His interaction is good with the counsellor and he also often plays with the volunteers.

On 6th of September, Ramdan went on a recreational trip to Kuta beach, Lombok with all of his friends, counsellors and the founder of the foundation. He enjoyed his activities on the beach, such as playing and swimming with his friends. He also always obeys the rules and listens to the counselor.

Educational Development

Ramdan still has difficulties in learning all the materials at school, and it is hard for him to follow the learning process in grade 2. Therefore, he gets extra classes in learning the basic materials, such as reading and Math. Besides, he also study every night with the counselor in the shelter.

Family

In July, Ramdan went home for ten days to celebrate the Eid Mubarak with his family. He was happy because he was able to spend his holiday with his family.

In the foundation, his family did not come for a visit because his house is far and it is difficult for them to find accommodation close to Peduli Anak.
