Physical Condition

Arman physical development is good. His appetite is good and he eats in big portion every day. He is never picky about food. He maintains the cleanliness of his body well by taking shower and brushing his teeth regularly. He diligently does sports such as playing soccer and swimming at the foundation. He also often takes a nap in the afternoon after school. On 3rd October, Arman had a dental check up from the Dutch dentists and he had no problem with his teeth, they only cleaned them. On 15th October, he got the second hepatitis vaccine injection.

Mental Condition

Arman's mental condition is stable. He is able to control his emotion well and he seems to be more patient when facing trouble with his friends. He also does his chores in the shelter. It is easy to give Arman directions in doing his schedule in shelter because he is an obedient obey.

Social Interaction

Based on the observation for these three months, Arman's social interaction with his friends is very good. Arman never had troubles with his friends or never did fighting. Arman shows good manner to his counselors, staff, and volunteers. Arman enjoys playing and swimming with his friends. He likes to do jogging too. He participated in some competition of Teacher's day celebration at school.

Educational Development

The education development of Arman is very good. He is able to read and write well. He is a smart child. Arman usually shows high motivation to study. He likes all subjects especially Math and he got good score at it. Sometimes he got difficulties at Indonesian Language but he would study more at home. As the result, his score at Indonesian Language is good. At 7th of September, Arman did the exam test and he studied diligently for preparing himself for that test. The result, Arman got 2nd rank in his class.

Family

Arman never got a visit from his family but his mom sometimes called him from Saudi Arabia and that made him very happy.
