Physical Condition

Irwandi has been healthy during the past three months because he was able to maintain the cleanliness of his body well by diligently taking shower and brushing his teeth every day. He also did exercise such as playing soccer in the evening.

Irwandi always washed his own clothes and changes it regularly so he always looks clean and neat.

His appetite has been good and he always eats big portions so he gained weight from 45 to 47kg and he is 155cm high. He also always sleeps on time at night.

On 23rd of September, Irwandi had to take anthelmintic drugs to destroy parasitic worms. This program is held routinely once a year to all the children in the foundation.

Mental Condition

Irwandi is not really active especially on the weekends; he spent his holiday by staying in the shelter and watching TV. He usually has no initiative for helping his friends or the counselor in the shelter, but he always finishes his own chores without being directed by the counselor. Irwandi is learning to be less prejudice towards people before he knows them well. Nevertheless he's never had problems with people in Peduli Anak. Besides that, Irwandi always obey the rules of the foundation.

Social Interaction

Irwandi gets easily along with his peers, but sometimes he refuses to yield towards the younger children when they're playing. Irwandi rarely communicates with the staff and volunteers. While at school, he has good interaction with his friends and the teachers.

On 6 September, Irwandi went on a recreational trip to Kuta beach along with all of his friends, staff and the founder of the foundation. He also followed the soccer competition with his team held by the founder and was on the winning team. He also enjoyed his time at the

beach.

Educational Development

Irwandi's educational development has been good because he diligently goes to school and has a good motivation to study. He said that he likes all the subjects, and he is a smart student and gets nice scores in all the subjects.

Irwandi joins the Scouts as his extracurricular activity. He participated in the District Schools Camping. At the foundation, he joins the English class and Music class taught by the volunteers. In music class, he can now play the drums and be a leading vocalist.

Family

Irwandi never got a visit from his family in the past three months. He went home and spent his holiday for ten days at his grandmother's house. He also celebrated the Eid Mubarak with his family there.
