

Peduli Anak Foundation
Counselor's Quarterly Report

Name	Satriawan
Date and Place of Birth	Longserang, 21 March 2001
Mentor	Muhammad Jufri, Sos. I
Evaluation Time	July - September 2015
Class	1 Junior High School
Child ID	PA-A0075

Physical Condition

Satriawan's physical condition has been good during the past three months. His weight is 44kgs and height 153cm. His appetite has been good and he eats big enough portions.

Satriawan is able to maintain his personal hygiene and the cleanliness of his clothes well. He is also concerned about his appearance since he's entered puberty.

On the 23rd of September, he had to take anthelmintic drugs to destroy parasitic worms. This program is held routinely once a year to all the children in the foundation.

Mental Condition

Satriawan's mood has been often changing during the past three months. He has entered puberty, so he feels comfortable hanging out with his older friends in shelter 3. He has said to his mentor that he wants to move to shelter 3. He has often looked mellow and stayed away from his younger friends, but he has been happy when interacting with his friends in shelter 3.

During the past three months, Satriawan did get disciplined, because he has been often late coming back from school and has jumped over the wall.

Social Interaction

Satriawan is often playing around with his older friends from shelter 3. He has often helped out the counselor and other staff. At school, Satriawan gets along easily with his new friends and they often come to the foundation for playing or studying together with him.

On 6 September, Satriawan went on a recreational trip to Kuta beach with all of his friends and the counselors. He enjoyed his time there by playing and swimming with his friends.

Educational Development

Satriawan has a good motivation to learn and he diligently goes to school. He is also diligently working on his assignments or his homework in shelter.

In the foundation, Satriawan joins the English class taught by volunteers.

Family

During the past three months, Satriawan was often visited by his mother at the foundation. His father also comes regularly to the foundation to teach traditional music instruments to the children.

In July, Satriawan spent his holiday of ten days at home and celebrated the Eid Mubarak with his family.
