Physical Condition

Ali's physical condition has been good during the past three months. It is because he always eats healthy food and exercises, such as swimming, playing basketball, soccer and jogging. His weight is 20 kg and he is 122cm high. His appetite is also good and he always eats big enough portions every day. He is never picky about food.

Ali's appearance looks clean and neat because he is able to maintain the cleanliness of his body well by diligently taking daily showers without being directed by the counselor. He also never forgets to brush his teeth after eating.

On 23rd of September, Ali had to take anthelmintic drugs to destroy parasitic worms. This program is held routinely once a year to all the children in the foundation.

Mental Condition

Ali's mood is usually good during the past three months. He is always cheerful and friendly to other people in the foundation. He also diligently does his daily chores in the shelter. He obeys the rules in the foundation.

Social Interaction

Ali has a good interaction with his friends, staff and volunteers in Peduli Anak. He also easily helps out others in the need of help. He is a nice boy, thus his friends and the staff like him.

On 9th September, Ali went on a recreational trip to Aan beach in Central Lombok with all of his friends and the staff of Peduli Anak. He looked happy and enjoyed his time by playing and swimming with his friends at the beach.

Educational Development

Ali has a very good motivation at school. He is actively asking his teacher in class when he does not understand the material. He also diligently works on the tasks given to him by his teachers. He has good achievements at school and is always enthusiastic to study at school.

In shelter, he always studies at night or just finishes off his homework assisted by the counselor.

Ali likes all the subjects at school and always tries to understand all the materials and gives his best.

Family

During the past three months, Ali did not get a visit from his family but he regularly communicates with his mother through the phone.
