Grade	10 Senior High School (Multimedia)

Mentor's Remarks:

This semester, Juliaha started her grade in Senior High School and she took Multimedia as her major. She has a good learning motivation at school and she is diligently working on her assignments, which are given by her teacher at school. She is a smart student and never hesitates to ask her teacher for help in class. She passed the semester exam and received her report card, her scores are above average.

Julaha likes all the subjects in her class especially Computer System because she likes to learn anything about the Computer.

She does not follow any extracurricular activities at school. However, in the foundation she always joins English class, which is taught by volunteers twice a week. Her interaction with her friends and teachers at school is good. She often comes up to discuss the lesson with her teacher. Her friends also often comes to the foundation for playing and doing homework together.
