

Peduli Anak Foundation Counselor's Quarterly Report	
<b>Name</b>	Ahmad Masduki
<b>Place &amp; Date of Birth</b>	Karang Mas-Mas, 20 May 1999
<b>Mentor</b>	Khairil Anwar
<b>Evaluation Time</b>	April - June 2015
<b>Class</b>	8 Junior High School
<b>Child ID</b>	PA-A0028
<b>Physical Condition</b>	
During the past three months, Ahmad diligently did exercise in the afternoon so he was always healthy and never got sick. He can maintain the cleanliness of his body well by taking shower and brushing his teeth regularly. He has a good appetite and eats in a big portion. He gained weight to 56kg and his height is 172cm now.	
<b>Mental Condition</b>	
Ahmad is generally active from morning to evening. He has no problem sleeping. Sometimes, he is shy when a counselor tries to talk with him. But, he is always cheerful when playing with his friends. He shows good responsibility in his work.	
<b>Social Interaction</b>	
Ahmad's social interaction is good in the foundation. He is close to his smaller friends and his peers because he likes to play and to joke around with them. Ahmad never has any problem with staff in the foundation.	
<b>Educational Development</b>	
Ahmad's educational development is still the same as previous months. He did well in the semester exam at school. Ahmad likes drawing and he is talented in it. In the foundation, he joins Music and English class taught by volunteers. At school, he has a good interaction with his friends and teachers.	
<b>Family</b>	
For the last three months, Ahmad has no contact with his family.	
<b>Additional Information</b>	
Ahmad is an avid musician. He can play the drums, bass, and guitar very well.
