Physical Condition

Wisa Kurnia Taufik or Opik's physical condition is good. He never got sick during the past three months. Opik's height is 130cm and his weight is 30kg. Opik is able to maintain the cleanliness of his body because he has diligently taken his shower and has brushed his teeth as well. His appetite is good and he eats healthy food in the foundation. Opik usually spends his afternoon by taking a nap unless he had an activity. He sleeps on time at night.

Mental Condition

Opik is generally in good mood. He is a clever boy and he can control his emotion. He smiles a lot to everyone he meets. He usually copes with problem easily and tries to solve it on his own.

Social Interaction

Opik's social interaction is good. He enjoys playing with his friends and they play quite fairly. He is also a creative boy since he sometimes creates new games. He likes making robots or cars from used materials. His interaction has also been good with older people such as staff and volunteers. He is sweet and kind so they like him.

In May, Opik went for recreation to Selong Belanak beach with all his friends, staff and the founder.

Educational Development

Opik diligently went to school and never missed a class. He passed the examination in June and his motivation was also very good because he had well prepared himself before the exam.

Opik also represented our Primary School to compete in regional level for school quiz. Besides that, he also participated in the Pantomime competition with his friend, Wawan, and they're both won the first prize. Opik will enter the 5th grade next semester and he got the 3rd rank in his class.

Family

Opik is in regular contact with his family because they come for a visit to the foundation.
