

Peduli Anak Foundation
Counselor's Quarterly Report

Name	Risna Siti Faizah
Place & Date of Birth	Tanah Beak, 19 August 2006
Mentor	Indri Widiarsari S.Pd.
Evaluation Time	October – December 2015
Class	3 Primary School
Child ID	PA-A0138

Physical Condition

Risna is found to be allergic to seafood. Once she got an allergic reaction and immediately treated by the counselor. Her appetite is good and she eats enough portions every day. Her weight is 26kg and she is 120cm tall.

Risna also underwent lice treatment twice a week.

On 3 October, Risna has a dental check up from the Dutch dentists. Three of her teeth have to be extracted because they are rotten. On 15 October, she got the second hepatitis vaccine injection.

Mental Condition

The first time Risna arrived in Peduli Anak, she did not have confident towards people at the foundation. After three months, she is able to adjust with everyone. It is because she is polite and nice to others. She also obeys the rules in Peduli Anak.

Social Interaction

Risna's social interaction is good at the foundation. Although she is a new child in Peduli Anak, she is already close to her older friend, Ila. According to her, Ila is a nice friend and she often helps Risna. In the past three months, Risna joined Theraplay with volunteers. This is important to make Risna close to her new friends in shelter 2.

On 29 November, Risna joined the recreational trip to Selong Belanak beach in Central Lombok with all of her friends and counselors. She enjoyed her holiday by playing and swimming at the beach.

Educational Development

Risna is in grade 3 in Peduli Anak primary school. She likes her new school because she said that it is much different from her previous school. In her new school, there are not many students in the class so her teacher can pay attention to her when she did not understand the materials. Her learning motivation is also good at school and at shelter. She likes Math and she likes doing multiplication. Her least favorite subject is Civic Studies because it is hard to understand.

In December, she passed the semester exam and received her report card. She passed all the standard scores. At the foundation, she joins Art class, she is good in making bracelets.

Family

During the past three months, she got a visit from her father and her aunt twice at the foundation.

Additional Information

Risna is a new kid in Peduli Anak and she still needs more attention and supervision from the counselor.
