Mentor's Remarks:

Elma has a good learning motivation at school. She likes going to school and is never late. She is diligently working on her assignments at school and actively answer the question in class. She passed the semester exam on 5 December 2015, received her report card and got ranked 8 in her class.

Elma likes English because she is really interested in languages from other countries. She realizes English is an important language if she wants to talk with people from other countries. Her least favorite subject is Civic education and Mathematics because those subjects are hard to understand when her teacher explains the materials.

Elma does not follow extracurricular activities at school because she wants to focus on her study. However, in the foundation she joins English class, which is taught by volunteers twice a week.

Elma has a good interaction with her friends and teachers at school. Her friends often come to the foundation for playing or studying together.
