Physical Condition

Nining's physical condition has been good during the past three months. She has a good appetite and she often added her meal portion so she gained weight to 38kg and she is 144cm. she also concerns about the cleanliness of her body by taking regular shower and washed her own clothes. She rarely take a nap in the afternoon because of her school schedule. She also never had problem in sleeping at night.

On 3rd October, Nining has a dental check up from the Netherland dentists and her tooth got to be filled because it has hole on it.

Mental Condition

Nining's mental condition was still like previous months. She cannot control her emotion well when she got upset. She would show her sullen face and will answer her friends with loud voice. But this is not stay longer because she would be cheerful again when calm down. She will look shy when talking to new person.

During the past three months, Nining always obey the rules at the foundation.

Social Interaction

Nining's social interaction has been good. She easily gets along with anyone and she never picking her playmates when playing. She also never refuse when the counselor or staffs need her help. While with volunteers, she always followed their activities at the foundation.

On 13 October, Nining followed the socialization held by the National Drug Agency of West Nusa Tenggara, which talks about the healthy lifestyle for street children and the dangerous of Drugs.

On 29 November, Nining did recreational trip to Selong Belanak beach with all of her friends, counsellor and the founder of Peduli Anak. She enjoyed his holiday by swimming and playing at the beach with her friends.

Educational Development

Nining's educational development in this first semester in grade 8 was good. She has a good learning motivation and she is diligently working on her assignments and homework. She passed the semester exam and received her report card for the first semester. Her scores were good with an average of 8.19 for all the subjects. For the first time in Junior High School, she got ranked 7 in her class. This is a very good progress since she never enters the top ten in her class.

Nining likes English because for her it is easy to understand, she often practices with volunteers in the foundation. While her least favorite subject is Arabic, since it is hard to understand for her. In the foundation, she actively joins English class, which is taught by volunteers twice a week, and Art class.

Nining still follows Scout and reciting the Quran as her extracurricular activities at school and she diligently attends those activities in the evening. She also becomes more fluent in reciting the Quran.

Nining is well known as a friendly girl and easy to get along with everyone. She interacts well with her friends and her teacher at school. Her friends also often came to the foundation to study or play together with her.

Family

During the past three months, Nining often communicate with her family at home by phone or met directly at the foundation. She was very happy when her mother came for visit at the foundation because she never met her almost for ten years. Her mother promised to visit and call her often.

At school holiday, she went home for a week and spent her holiday with her mother in east Lombok.
