Physical Condition

Ishak has not been sick during the past three month, and he has diligently maintained the cleanliness of his body by taking regular showers every day.

His appetite has been good and he has often added to his portions. He has also never been picky about food.

Ishak diligently did exercise such as swimming and playing soccer on the weekend.

On 23rd of September, Ishak had to take anthelmintic drugs to destroy parasitic worms. This program is held routinely once a year to all the children in the foundation.

Mental Condition

Ishak is a cheerful boy, he is also funny and often jokes with his friends.

He was sad after he came back from holiday because he missed his family. He stopped crying when the counsellor called his parents by phone and asked them to come in the weekend for a visit.

Ishak always obeys the rules of the foundation.

Social Interaction

Ishak has good interaction with his peers in the foundation, but sometimes he disturbs the smaller children although he doesn't mean it.

Ishak is a creative boy, he can make his own toys and play them with his friends.

His relation with the counsellor is good because he always listens to the counsellor. He also often helps staff in tasks, such as cleaning the yard.

On 6th of September, Ishak went on a recreational trip to Kuta beach, Lombok with all of his friends, the counsellor and the founder of the foundation. He enjoyed his activities on the beach such as playing and swimming with his friends.

Educational Development

Ishak has a good motivation to study. He diligently studies in the shelter and never hesitates to ask the counsellor when he has difficulties.

He likes Mathematics, because he likes multiplication. He looked enthusiastic when doing his tasks given to him by his teacher in the shelter. His least favorite subject is Religion, because he thinks there are too many sentences to memorize.

Family

Ishak went home for ten days to celebrated Eid Mubarak with his family. He also went fishing with his father since their house is in front of the beach.

In the foundation, his family came to visit twice, and they brought him his favourite snacks. He was happy about that.

Additional Information

Ishak begins to practice yoga with volunteers in the foundation. He is very enthusiastic and can do difficult poses.
