### **Physical Condition**

Lasmin's physical condition has been good in April and May. She has been healthy and has never got sick. She also has had medical check-up with the other new kids in the foundation. In June, she had itchy and red spot on her body and the counselor immediately put powder on her body and it was gone in three days. Her weight is 18kg and her height is 115 cm. Lasmin has been good in keeping her body clean as she can take shower and brush her teeth regularly by herself.

### **Mental Condition**

Lasmin's mental condition has been good for the last three months. She has been able to control her emotion and to obey the counselor. She is a diligent girl and often helps the counselor and her friends without being asked. Lasmin always obeys the rules in the foundation.

### **Social Interaction**

Lasmin's social interaction has been good for the last three months. Her friends like her because she is nice and polite. She has often played with her close friend, Wulan. They always spend time together.

Lasmin often helps the counselor in shelter to prepare food or clean the yard. She is still shy when she communicates with volunteers.

On April 16<sup>th</sup>, we took her out to the city, she was very happy because it was her first time going to the city.

### **Educational Development**

Lasmin's learning motivation has been good both in the shelter and at school. She passed the semester exam in June and she will enter the second grade next semester.

Lasmin is active and confident in the learning process in class. She always tries her best to solve the problem she got in task. She has been good in reading and multiplication. Lasmin has joined Computer and Drama class and she likes it. Her favorite subject is Indonesian Language because she likes reading. But she does not really like Civic Study subject because she said that it is hard to understand.

### **Religion**

Lasmin prays five times a day and recites the basic Quran level 3. She always comes on time for the activities at the mosque. She also listen to the counselor when reciting the Quran.

### **Family**

Lasmin's family visited her once during this period. Her mother who is working in Malaysia sometimes calls her.
