### **Physical Condition**

Rendi's physical condition was good on April and May, but she got a fever for a week in June. Because of that, she her weight was down to 50kg. Counselor gave her treatment and she was healthy after a week.

Rendi did well in maintaining the cleanliness of her body because she diligently took a shower and brushed her teeth.

### **Mental Condition**

Rendi was able to control her emotion well during the past three months. She is a calm and soft-spoken girl.

### **Social Interaction**

Rendi has a good social interaction with her friends and staff in the foundation. She helps the cook because she said that she liked cooking and working in the kitchen. During the past three months, Rendi rarely played with her smaller friends in shelter.

Rendi is always nice to everyone and never makes any problem. She is still shy when interacting with volunteers and only smiles when they talk to her.

### **Educational Development**

Rendi has a good motivation to learn. She diligently studies in shelter to prepare herself before going to school. She passed the semester exam and ranked 4<sup>th</sup> in her class. This is a good achievement for her since she entered Junior High School from the Equivalent Program. She was able to catch up with the lessons in class. Rendi will enter 8<sup>th</sup> grade in the next semester.

Rendi likes Indonesian Language because it is easy to understand, while her least favorite subject is Arabic. In the foundation, Rendi joins the Art class and English class taught by volunteers and the counselor.

### **Family**

She got a chance to spent her holiday for a week with her family and she was happy about that. However besides that, the family didn't visit her at all in the past three months. Rendi's mentor tried to contact her family, but their number was not active anymore. Rendi said that she missed her family.
