

Peduli Anak Foundation
Counselor's Quarterly Report

Name	Nurhamdi
Place & Date of Birth	Tanak Tepong, 04 February 2004
Mentor	Amiruddin S.Sos.I
Evaluation Time	July - September 2015
Class	5 Primary School
Child ID	PA-A0054

Physical Condition

Hamdi's height has increased to 133cm and his weight is 25kg. He has been able to maintain the cleanliness of his body well by taking showers regularly every day.

His appetite has been good and he has often added to his portion when eating. But he does not really like vegetables especially eggplant.

Hamdi does exercise with his friends, such as playing soccer to maintain his physical health.

On 23rd of September, Cupi had to take anthelmintic drugs to destroy paracitic worms. This program is held routinely once a year to all the children in the foundation.

Mental Condition

Hamdi seemed cheerful and happy during the past three months. He is able to control his emotions well when doing his activities, but he still needs to be directed when doing his daily chores. Hamdi usually follows the rules of the foundation.

Social Interaction

Hamdi gets along easily with his friends and he is active in doing his activities with his friends. He also never hesitates to ask his friends to play with marbels or kites with him. He has no problems with his friends in the foundation or at school. His interaction with the counsellor and other staff is good, and he also often plays with the volunteers.

On 6th of September, Hamdi went on a recreational trip to Kuta beach, Lombok with all of his friends, the counsellor and the founder of the foundation. He enjoyed his activities on the beach such as playing and swimming with his friends.

Educational Development

During the past three months, Hamdi has studied in shelter only if he has had homework. According to him, he likes Science because he likes learning about the nature and space. His least favourite subject is Mathematics because he often has difficulties in multiplication.

Hamdi joins Art class every Tuesday taught by the volunteers and the counsellor. He can make toys, bracelets and flowers from scrap materials.

Family

Hamdi went home to celebrated Eid mubarak with his family for ten days. He also enjoyed his holiday in Narmada Park with his family.

In the foundation, Hamdi was not visited by his family but he often communicated with them through the phone.
