Physical Condition

During the past three months, Salman had skin fungus on his back but it almost disappears because he diligently put ointment after shower. His physical condition looked fit because he often did sports such as playing soccer and swimming. He also diligently takes shower every day.

Salman has a good appetite and he always adds his meal portion when eating. His weight is 55kg and he is 165cm high. Salman cares about his appearance so he always looks clean and neat.

On the 3rd of October, he had a dental checkup, which was provided by a Dutch Dentist, and there was no problem with his teeth. The dentist only cleaned his teeth.

Mental Condition

Salman's mental condition is still like previous months. He gets offended or upset when he does not like something or when the counselor advised him when he did a mistake. In running out his duties at the foundation, he is often late to finish his chores. Nevertheless, Salman usually obeys the rules at the foundation.

Social Interaction

During the past three months, Salman has problem about small things with his friends because he is easily offended. It happens with the counselor who advises him. However in general he interacts well with them. He also looks close to his classmates at school and they often come to play with him at the foundation.

On 13 October, Salman followed a seminar held by the National Drug Agency of West Nusa Tenggara about healthy lifestyle and the dangers of Drugs.

On 29 November, Salman joined the recreational trip to Selong Belanak beach. All staff, counselors, friends and the founder of Peduli Anak joined the trip. He enjoyed his holiday a lot by walking around and swimming at the beach.

Educational Development

Salman has a good learning motivation at school. He diligently studies and never skips class. He always finishes his assignments and homework on time. Salman likes Social Studies because he likes to learn about Indonesia and World's history. His least favorite subject is Mathematics and Indonesian language. He said that it is hard to understand the formula of Math, while he also has difficulties in writing in Indonesian Language.

This semester, Salman did not follow extracurricular activities at school. However, in the foundation he always follows the English class, which is taught by volunteers twice a week. Salman has a good interaction with his friends and teachers at school. He is a friendly boy so he has many friends at school. He is always polite to the teacher and he did not have problems at all.

Family

During the past three months, Salman only got a visit once from his sister at the foundation and he was really happy about it.
